Grayling Legionnaires Honor Dead Comrades

With ideal weather prevailing, Grayling turned out one of its largest crowds to take part in the annual Memorial Day program. There is scarcely another holiday in the year when there are as many visitors in town and there seemed to be many more this year. Some came to be here purposely to pay homage to deceased relatives and friends, while others were on pleasure bent.

The day dawned bright and clear and promptly at 10:00 the memorial program, prepared by Grayling American Legion Post 106 began. Meeting at the Legion hall the procession was formed, headed by uniformed members of the corps carrying the colors and Legion emblem with color guards armed with white rifles at either side. Following came the corps drum major, "Spike" McNeven, and the Legion Drum and Bugle Corps, glittering in their red and black uniforms and they played and marched in perfect form.

Following in line were veterans of the World War, C.C.C. enrollees, and then Grayling's school band of whom we boast so much, and who did themselves proud in their first marching appearance. Guinivere Trudeau led the school band and directing from the sidelines was Director Herbert Rowland.

Uniformed Boy Scouts carrying more colors were followed by two hundred or more school children carrying flags, and a long string of autos brought up the rear.

Marching by way of Michigan avenue from the hall to the City park on U. S. 27, services were held there with Lt. Fred Harris, C.C.C. area chaplain, reciting a prayer honoring comrades who had died at sea. On this occasion the memorial to veterans of all wars of this county that beautifies the city park and was placed there by Grayling Post, near the AuSable river bank, was dedicated. Alfred Hanson, past commander, made the dedication speech.

Forming in line again at the close of the service at the park, both musical organizations played along the line of march to Elmwood cemetery. At this service Chaplain Harris officiated with prayer and gave a fine patriotic address. A spray of flowers was placed on the mound in tribute to the unknown soldier; there was the usual gun salute, followed by taps blown by "Spike" McNeven, with Don Sweeney answering in the distance.

Grayling school band playing the "Star Spangled Banner" closed the memorial program for the day. All details were carried out very nicely, with much credit due Grayling Post No. 106.

Legion Scholarship Awards Presented

MICHIGAN'S FLAG PRESENTED TO SCHOOL

Wednesday afternoon Grayling American Legion Post No. 106 presented Legion scholarship awards for the second year to Nellie Pynnonen and Emil Tahvonen, the girl and boy who were selected through the school faculty to share these honors. Also on this occasion the Post presented the school with a flag of Michigan. This is in keeping with the organization's Americanization program of which Clarence Johnson is chairman.

The presentations were made in a special assembly, when Capt. Pritchard, commander of the AuSable Veterans camp gave a short talk and Post Commander John McMillan presented the certificates and medals. Along with these two students' names will be added to the bronze plaque that finds a place in the trophy case at school. Other names that appear on the plaque are Virginia Charron and John Henry Peterson.

Miss Pynnonen whose home is in Lewiston, has attended school in Grayling for the past two years, and Emil Tahvonen is the son of Mr. and Mrs. Carl Tahvonen. Choices for the awards are from members of the senior class and were made on the basis of all-around citizenship in the school as well as scholarship. Emil is valedictorian of this year's class and both are all-around fine students.

Alfred Hanson, past district committeeman of the American Legion, made the presentation of the flag of Michigan, the first of its kind the school has been in possession of.

Lars Nelson, Pioneer Passed Away

Friends of Lars Nelson, age 76, will be sorry to learn of his death Wednesday evening May 31, at Mercy Hospital. Mr. Nelson was taken ill several weeks ago and removed from his home to Mercy Hospital where he had been for the past five weeks.

He was a resident of Grayling for many years, working for the Salling & Hanson Co. for 42 years, and he was a life member of the Masonic Lodge.

Funeral services will be held from the Danish church Saturday afternoon at 2:00, Rev. Stockholm officiating. He leaves to mourn his passing one daughter, Mrs. Jess Sales, and one granddaughter.

Kiwanis Sponsors Lad For Wolverine Boy St.

Again this year there is an opening for a second boy to attend Wolverine Boys' State from Grayling and Grayling Post 106 invited the Kiwanis club to sponsor a boy. The lucky young man is Emil Tahvonen, son of Mr. and Mrs. Carl Tahvonen, who besides holding the honor of valedictorian of his class, shared in the American Legion scholarship award which in itself is a fine honor, and now he has been chosen to attend Wolverine Boys' State.

James V. Petersen, son of Mr. and Mrs. Victor Petersen, will attend, sponsored by Grayling Post 106. James, besides being an all-around good scholar, is a fine athlete, having played on the High school basketball team with much credit. He likes baseball much better and has pitched his team to victory many times during his high school career.

Neither the American Legion nor Kiwanis club have anything to do with selecting the boys for these honors. This is left entirely to the faculty of the school and we believe they have made excellent choices.

The dates of Boys' State are June 15 to 23, and will be held in East Lansing. American Legion, Department of Michigan inaugurated Boys' State in Michigan and it is in its second year and no doubt it will continue for years.

Work To Continue At Winter Park

A telegram from Senator Miles M. Callaghan Saturday said that the general budget bill for the state contains sufficient appropriation for the Conservation department so that the Grayling Winter Sports Park project will continue without interruption.

Besides this Senator Callaghan says that the Federal government will provide millions of dollars for Michigan parks and that there will be PLENTY OF MONEY.

Yesterday Senator Callaghan phoned that the Federal Government has appropriated the sum of \$10,000 a year for two years for the purpose of improvements in the Hanson State Military reservation for the use of the National Guard, and for the National Guard airport.

Sensor Callaghan is always on the job looking after the interests of his district. When told that he deserved our gratitude and thanks for all that he is doing for us, he replied "Ah shucks, that's only a part of my regular job." Well he is doing a lot for Grayling and we want him to understand that we are indeed grateful.

OPENS SANDWICH SHOP

Willard Harwood's new sandwich shop opened for business Saturday and is ready for business.

This place is in connection with his food market on U.S. 27, not far from the corner of Michigan avenue.

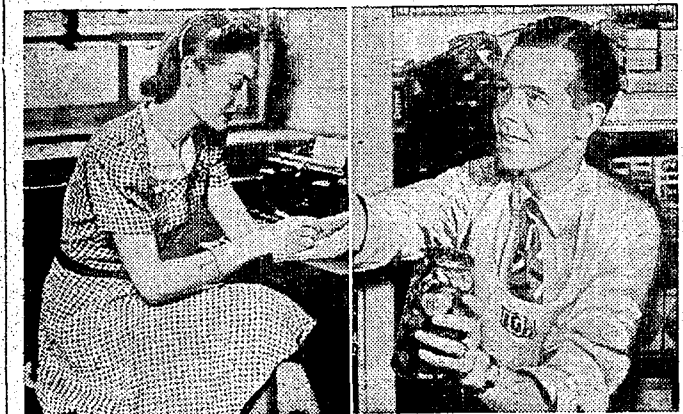

There are five booths seating four persons each, and a long low counter with low leather covered round seats. The food is prepared right in the presence of the customer, and Willard says their sandwiches and coffee "can't be beat," and they will serve any kind of sandwich you want.

A showcase displays all kinds of confectionery, and a cooler dispenses soft drinks. They report a brisk business ever since they opened.

Rubbish Removed

The City truck will pick up all rubbish on first Monday of each month if placed in containers at curb. Please take advantage of this service and clean up your yard.

Whither the Young Graduate? Maybe This Holds the Answer

How the average high school student will be occupied one year from this June has been determined by a recent survey of 1,000 of last June's graduates. Teachers colleges, business colleges and vocational schools will absorb 140 graduates from the school surveyed, all in towns of approximately 3,000.

Students numbering 171 will attend college or university the first year, with a large percentage failing to return the second year. Lack of industrial opportunity has increased college enrollment. A total of 162 will remain at home without finding work. This figure includes girl graduates not planning to work.

Clerical jobs in grocery stores, filling stations, shoe stores, etc., will be filled by 236 graduates. This total includes delivery boys and "handy men," most of whom serve part time in a clerical capacity. Thirty-one salesmen also received the sheepskins this year. The latter includes house-to-house canvassers.

Agriculture will claim 190 graduates, many of whom are returning home to work. Included also are youths who are going to work on a farm for the first time. Seventy-seven are listed under a miscellaneous heading, including truck drivers, CCC enrollees, mechanics, waitresses and odd-job workers.

Tells About Trip To California

ALL-KIWANIS MEETING TO BE HELD JUNE 19.

The Kiwanians enjoyed a talk by Vice President Farnham Matson Wednesday noon when he related about his trip to California last spring. Visiting relatives in Napa (California), he made several side trips including a visit to the world fair at Treasure Island, San Francisco, Los Angeles, Catalina Island, Grand Canyon, and other well known places. He also witnessed the making of motion pictures at Hollywood. It was a very interesting talk and very much enjoyed by those present.

Kiwanian Max Laage, a member of the under-privileged children committee, on behalf of his committee presented School Band Director Herbert Rowland with a purse of \$75.00 to be used toward the purchase of band uniforms. A purse of \$50.00 was similarly presented at last week's meeting of the Kiwanis club for the same purpose. The club has set a goal of \$225.00 to be used for this purpose.

The sum of \$75.00 was taken in at the band benefit meeting held last Saturday evening at Shoppenagons Inn.

Next week's meeting will be at the usual time and place—Wednesday, June 7th, at Shoppenagons Inn. The second week following, however, will be an evening meeting, and will be held on Monday evening, June 19th. This meeting is designated as All-Kiwanis night, and will be observed by all Kiwanis clubs in the international district. At that time the International convention will be in session at Boston. A special program appropriate to the occasion will be presented that night by all Kiwanis clubs. The ladies will be in attendance.

KIWANIANS RAISE FUND FOR SCHOOL BAND

The social affair given Monday night at Shoppenagons Inn netted the Kiwanis committee for the Grayling school band about \$85.00 which is to be used toward the purchase of band instruments.

The club was assisted financially by the following Grayling merchants and business men:

A. & P. Store, Mac & Gidley, Drs. Keyport & Clippert, Betty Mae Beauty Shoppe, Hanson Hardware, Grayling State Savings Bank, Sorenson's Sporting Goods Store, Lon Colten, Paddy's Barber Shop, Shoppenagons Inn, Liquor Store, Blackie's Tavern, Hanson Cafe, Grayling Mercantile Co., Johnson Furniture Store, Grayling Laundry, Rasmussen Lumber Co.

T. P. Peterson, Fred Welsh and Emil Giegling, E. Hanson, Roy Milnes, Chas. Melichar, Hendrickson Tailor, Corwin Auto Sales, Roy Boger, Pete Lovely, Alfred Hanson.

Heath Gas Station, Pat & Ella, Spike, Emil Niederer, Blanche Hull, Grayling Greenhouses, Tiny's Beauty Shoppe, Leitz Tailor, Parsons & Lamm, Moose Lodge, Burke's Gas Station.

Frank Bridges, Jappe Smith, Darveau Gas Station, Callahan Gas Station, Earl Nelson, J. E. Schoonover, Clyde Peterson, Don Reynolds, Hi-Speed Gas Station, Hartley's Cash & Carry Store.

Carl Kriepke, Michigan Public Service Co., R. A. Wright, Norman Butler, Dr. Cook, G. Bliss, Max Laage, Grayling Dairy, Rialto Theatre, Burrows Market, Connine's Grocery, O. P. Schumann, Chas. E. Moore.

Dr. Stealy, Plaza Grill, Post Office, Farnham Matson, James McDonnell, Kraus Drygoods Store, Grayling 5c to \$1.00 Store, Maureen Shoppe, Gamble Store, Sales' Ben Franklin Store.

Dawson's Drug Store, Axel M. Peterson, Wm. Ferguson, Merle F. Nellist, J. A. Papendick, Fred Larke, Standard Oil Co., George A. Granger.

How would you like to wake up facing a gun, and find yourself ordered to take a beautiful young woman to an exclusive society reception? That happens to Major Lyson, in "A Pocketful of Diamonds," a thrilling E. Phillips Oppenheim story in This Week Magazine, with next Sunday's Detroit News. Don't miss it.

Junior Prom Was Beautiful Affair

Last Friday evening the Juniors were hosts to the Senior class and other guests at the annual Junior Prom. The gym was decorated to represent a Dutch tulip garden. A picket fence enclosed the dance floor and there were flower boxes of tulips, placed along the fences. For a background the orchestra sat before a large windmill.

The Juniors presented to their guests the smooth orchestra of Henry Smith III of Bay City. This was a ten-piece orchestra and certainly gave the dancers an evening of fun, with their excellent music. The highlight of the evening was the Grand March led by Miss Janice Entsminger, president of the Junior Class and her escort.

The Seniors and other guests voted the Juniors of 1939 as perfect hosts and lived up to their word that they would plan a party that would long be remembered by everybody.

There was a nice crowd present with quite a number of out-of-town guests.

CAUGHT 25-INCH BROWN TROUT

F. A. Courtney of Lansing was a happy fisherman as he hooked and landed a 25-inch brown trout Sunday night. It weighed 5 1/2 pounds. It was a very beautiful specimen and would be the envy of any ardent fisherman.

He says that he caught the trout about five miles down the AuSable at about 11:00 p. m. It took him 20 minutes to land it during which time he let his pipe go out and nearly chewed the stem off in his excitement. The fish finally dashed into a clump of cattails close to the shore. By keeping his line straight up and following thru the cattails he was able to avoid entanglement and when the fish emerged into the open again it swam headon into a landing net. The fish hung over a third way out of the net but was soon out on the river bank, and a tired fisherman heaved a sigh of relief. The big refrigerator at Hanson Cafe kept it fresh until time to take it to Lansing.

Mr. Courtney is employed at the Oldsmobile factory in Lansing and says he comes here quite regularly for a weekend of trout fishing.

SCHOOL NEWS

Recently the advance enrollment for the school year 1939-40 was held. Students in the upper six grades get their schedules made out and this does much to assure the starting of school next fall with a minimum of schedule changes and confusion.

Graduation Activities Begin

Sunday, June 4th, the graduation activities get under way when the Baccalaureate exercises are held in Michelson Memorial church. Rev. Kuhlman will deliver the address. The exercises will begin at 7:30.

Wednesday, June 7th, the Class of 1939 will hold their class day exercises in the High School auditorium. Thursday will be the night of nights as 32 seniors receive their diplomas. Mr. Charles Hamilton, president of the Bay City Business College, will be the commencement speaker. Both class day and commencement exercises will start at 8:15 p. m.

Tea And Fashion Show

Over one hundred mothers and guests attended the tea and fashion show given by the Home Economics classes in the High school auditorium last Thursday. The following program was given:

1. "There Are Styles"—Eleanor Bugby, Gloria Mortenson, Joanne Montour, Elaine Broadbent and Faye Christenson.
2. "Dame Fashion"—A review of past and present styles by the advanced and 9th grade classes.
3. "Minuet"—Monica Brady, Alma Bidvia, Ruth LaMotte, Jean Stevenson.
4. "Baby Parade"—Ann Marie Schrieber, Kara Joan Mortenson, Gloria Mortenson Faye Christenson.
5. "You're The Only Star In My Blue Heaven"—Betty Jeanne Mortenson, Norma Lee Crawford, Terry Hilton.
6. "Wonderful Mother of Mine"—"Little Old Lady"—Sextette and Lois Bradley.
7. "Sleepy Time Gal"—Monica Brady, Shirley Young, Ann Weiss.
8. "On a Bicycle Built For Two"—8th and 9th grade classes.

Closes Season With Roscommon Defeat

Tuesday the Green and White closed their regular baseball season with a victory over Roscommon by the narrow margin of one run. Tibbetts and Peterson did the hurling for Grayling and neither proved to be effective.

Roscommon got away to an early lead and at one time held a five-run margin but a five-run rally in the last inning saw this lead melt away and the locals eke out a 10-11 win.

Thursday Coach Cornell and his squad journey to East Jordan to play for the conference championship.

Recreation Notes

The softball season got underway last Wednesday night with a very exciting game between the "Firemen" and "Blackie's" teams. The following night another interesting game between "Hanson Cafe" and "Hartley's Grocery." There were quite a number of spectators present which we were glad to see.

Scores:
Blackies, 23; Firemen, 5.
Hartley's Grocery, 20; Hanson Cafe, 7.

The teams sponsored by Hartley's Grocery and Hanson Cafe wish to thank them for their support.

New Rules

Pitcher's box has been moved back five feet which makes it 40 feet instead of 35 feet to home plate as it was last year.

The new rules also state that the man on third can steal home which was not permitted before. This keeps the catcher and pitcher on their toes and makes a faster and better game. They also play with ten men instead of nine and they must start the game with seven men. If less than seven are present, they must forfeit the game.

The members and managers representing the teams made a few rules to suit the players and the teams. Seven innings will be played.

Games will be played every Monday, Tuesday, Wednesday and Thursday evening. They are called at 6:45.

Leo Lovely and Lilwyn Doremire are teaching life saving at Gaylord to members of the Recreation Group. Ground work is being carried on and later they will start work in the water.

This program is sponsored by the Michigan WPA in cooperation with local organizations.

Golf
Club

Golfers and their families enjoyed Memorial Day on the course with a pot luck dinner at 2 o'clock. Outside guests included Holger Hanson, of Ypsilanti; Mr. and Mrs. Carl Bauer, Jr., Mr. and Mrs. Henry Wilcox, Saginaw; Bill Joseph, of M.S.C., East Lansing, and Mrs. Marion Burch of Traverse City.

Next Wednesday, June 7, the regular pot luck luncheon will be given.

TRAVEL OUTFIT

This covert cloth coat is suitable for town, country and travel. The beige wool dress fills the same bill. The crocheted turban and soft leather bag are brilliant red accents that can be worn with many colors.

Nests of spinach holding carrot eggs will appeal to the child whose diet requires many vegetables.

Grated cheese sprinkled over the top of clear soup just before it is served adds both flavor and color.

Because of its mild flavor veal requires more seasoning than other meats. Slower cooking is also necessary.

Leather chairs put in storage are likely to mildew. If a little petroleum oilment is rubbed over the leather the mildew will easily be removed.

A small amount of lemon juice, orange juice and grated lemon rind will add flavor to stewed fresh or dried fruits. Use about 1 tablespoon of juices and ¼ teaspoon of rind for each 2 cups of fruit.

Snow

Snow is not always white. Red and green snow, so colored because of organisms living in the flakes, have been known to fall in northern climates. It is usually white, however, because of the reflection of light on the crystals. Snow crystals always have six sides or points—never five or seven.

FACTS FAVOR FORD

1 The 1939 Ford V-8 is a beautiful, modern motor car. Its 85-horsepower engine gives you economical, well-balanced performance over the entire speed range—and the 60-horsepower engine is even more economical.

2 The structural strength of the Ford car—frame, bracing, axles, body—makes not only for safety, but durability and long life.

3 Ford hydraulic brakes are exceptionally large and strong in proportion to car weight.

4 The Ford car is stabilized for comfortable riding. Its springbase, the distance between front and rear suspension, is 123 inches. Seats are toward the center, perfectly balanced. The car does not bob or dip and can have very little sway.

These four points—power, strength, safety, comfort—are by far the most important essentials in any motor car. They form the basic value of your investment.

With this solid foundation to build on, the Ford V-8 has been made beautiful, spacious, easy to drive. It is richly upholstered and has all the modern features which add to the luxury and pleasure of motoring.

You can see these things when you take a trial drive, but do not forget that the main value is in the things you do not readily see—quality of materials, precision of manufacture, fundamental engineering.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEARS AGO

Thursday, June 1, 1916

A letter received from Manager C. T. Clark of the DuPont factory, a copy of which appears on the front page of this issue says that they will double the capacity of the plant, beginning work about June 5. It means more building in Grayling, and from 300 to 400 more men working in the surrounding woods.

Axel Becker, supervisor of Charlton township, for several years cashier of the Bank of Johannesburg, and merchant of Johannesburg has disposed of his interests in that village and has accepted a fine position with the Remington Typewriter Co. in Detroit, his new position being understood to be that of sales manager.

The planning mill of the Jolani Manufacturing Co. was destroyed by fire Thursday night with a loss of about \$25,000.

A pretty wedding party was held at the home of Mr. and Mrs. John Cuthbertson on the South Side Wednesday evening, when Richard McAbee of Boyne City was united in marriage to Mrs. Tillie Falkner, of Wolverine. Justice O. P. Schumann tied the knot. The bride and groom left on a short wedding trip after which they will make their home in Boyne City.

The Lead City Miner, South Dakota, reports the birth of a daughter to Mr. and Mrs. Wm. Covert of that city. Mr. Covert will be remembered as a graduate of the Avalanche, from the Palmer home before his collegiate course.

At a monthly meeting of the Grayling board of trade held Monday night, a committee was appointed to make arrangements for a baseball team this season. The committee appointed is as follows: Holger Hanson, Emil Giegling, and T. W. Hanson.

Mr. and Mrs. Andrew Balhoff invited twenty-two friends to their home Monday evening to meet Mrs. Mahoney and Miss May Mahoney of Chesaning. Cards were enjoyed during the evening.

Miss Isabel Case returned the latter part of the week from a

three weeks vacation in different cities in the southern part of the state.

Some time ago Louis N. Pelkey of Bay City issued a challenge thru the Bay City Tribune for a boxing match. This challenge was accepted by Jim Cuthbertson of this city, Frank May acting as mediator. The bout will be held July 4th.

Three of our school teachers, Miss Lane, principal; Miss Barry and Miss Ryker, narrowly escaped fatal injuries Friday evening when a team of horses ran away throwing the occupants of the wagon into the street. The team belonged to N. P. Olson and Charles Pillbury was driving them.

Mrs. Wm. Merkiel left Saturday for Flint where Mr. Merkiel has employment and where they expect to reside.

Hans Christenson arrived Saturday from Detroit to enjoy a short vacation with relatives and friends.

R. Hanson and wife and Mrs. Esbern Hanson were in Detroit on pleasure and business first of the week.

Esbern Hanson is now driving a handsome Winton Six. This is one of the finest cars ever brot in Grayling.

Mrs. Josephine Hanson of Bay City arrived Saturday to spend a few days here, the guest of Mrs. Adler Jorgenson.

Mr. and Mrs. Alex LaGrow and Miss Doris LaGrow entertained a party of twelve friends from Pinconning over Sunday.

Mrs. Mary Cameron arrived Wednesday from Shawano, Wis., and is visiting her daughter Mrs. Charles O. McCullough.

Mrs. G. Croteau and three children of St. Charles were guests at the Wm. Christenson home first of the week. The former at one time was a resident of Grayling.

Dina Helen, the nine months old daughter of Mr. and Mrs. Jonas Bendanen, passed away at their home on the South Side Friday after a short illness.

The Grayling Telephone company lines now reach down the AuSable river as far as the N. A. Goodard club house. Other resorts down the river intend to complete the line.

SOME FACTS ABOUT CANCER

Cancer is now the second cause of death in the United States and is looked upon with pessimism by people generally. This pessimism can be charged correctly to ignorance of the cause and hopelessness of the cure. Since there are now 24,000 cured cases of cancer registered by the American College of Surgeons it cannot be said that cancer is an incurable disease. It is curable when a lump, an unhealed sore, bleeding from any of the openings in the body, or continued indigestion are regarded with suspicion early and medical advice sought.

Investigation of symptoms will result in cure of the local condition before it has time to become true cancer. Then, too, the treatment of cancer has advanced rapidly by the use of radium and x-ray, particularly in certain cancers of women. In a very common form, radium has been

used with eminent success in Sweden since 1926, where no case has been subjected to surgical treatment.

A recent investigation has shown that incidence of so-called mulespinner's cancer, which is not uncommon in cotton mills, can be reduced by using an ointment composed of equal parts of wool fat and olive oil instead of the oil commonly used in such machinery. All forms of mechanical and chemical irritation which are prolonged are being investigated and replaced where the chances of irritation producing cancer are apparent.

Physicians have often wondered if more than one kind of cancer in more than one part of the body can occur in the same individual. These double cancers have occurred in a small series of cases and follow the same general rule of prevention as do single cases. Multiple cancers most commonly occur in the gastro-intestinal tract and are present with long-continued and neglected disease of the intestines. Two cancers have been known to appear in the same mouth because, when one was cured, the patient refused to stop the use of tobacco or have an irritating tooth removed, so that

cancer developed in the opposite cheek. Such instances are of course unnecessary. It is axiomatic with physicians that the possibility of cancer is considered in every case within the cancer age group. The fear of cancer can be dispelled when it is known that no precancerous lesions are present.

When making a chicken or fish salad allow two-thirds of a cup of chicken or fish for each salad.

To extract onion juice cut onion in halves and squeeze on squeezer as you would when extracting lemon juice.

To keep sirup from crystallizing after it has stood for some time, add one teaspoon of vinegar to each cup of sirup used in making the sirup.

Over-cooking fish causes it to break apart and also lose much of its flavor. Sliced fish steak, cut about one inch thick, takes approximately 20 minutes to cook.

John Brown Dies Of Heart Attack

The sad word received Tuesday night telling of the death of John Brown, age 43, of Ann Arbor, son of Mrs. Andrew Brown came as a severe shock to the family and friends of the young man. At first it was reported that he had died of injuries received in an auto accident, but this was not true.

Not feeling well he had told his wife that he was going for a short ride in the car, and driving along he suffered a heart attack. He had turned off the ignition and the car coasted along and ran into a guard rail. A lady driving behind him saw the car zigzag and when it stopped noticed him slumped in the seat. Calling for help he was hurried to University Hospital where he passed away within a few moments, physicians pronouncing the cause heart trouble.

Funeral services will be held in Ann Arbor Saturday afternoon. Surviving the deceased are his widow and one son Robert, his mother and two brothers, Roy and Carlyle, who have the sympathy of the community in their sorrow. This is the second death in the Brown family in the past year, the only daughter, Mrs. Kathryn Wurzburg, passing away last October.

NEW CRAWFORD COUNTY FOLDER

A new folder advertising Crawford county has just come off the press and the Avalanche has been receiving many compliments on its excellent printing. The folders are being sponsored by Grayling Chamber of Commerce; the County of Crawford and the State of Michigan participating in the cost.

They are printed on heavy ivory enamel paper in a green doubletone ink. On the front outside is a reproduction of the famous picture of Jack Redhead holding up a large brown trout. This picture has been printed millions of times and is really famous—just can't be improved upon. You may bet that nobody but Jack caught that fish; it's a picture of a real fisherman. The caption says Grayling on the Famous AuSable—a season vacation land.

On the back outside is a picture of Grayling's Winter Sports 1938 snowman. This was 30 feet high and attracted countrywide attention. Below are the lines "Capitol City of Winter Sports."

Within the folder there are excellent pictures of Lake Margrethe; the Military reservation and airport; winter sports and snowtrain views; canoe carnival; "Suicide Sal"; Fish Hatchery and Hartwick Pines; bathing pictures and small "thumbnail" cuts appropriate to the subject.

On the inside of the folder is a good size map of Crawford county—the best one we have ever seen.

The text matter that goes with the folder is interesting and contains much information. Folders may be had by calling at this office or addressing the Grayling Chamber of Commerce, 10,000 copies were printed.

President Harley Russell and Secretary Farnham Matson and O. P. Schumann, assisted by the East Michigan Tourist Association offices, prepared the folder. Seemann & Peters, Saginaw, made the engravings.

Non-partisan News Letter
Michigan Press Association

By GENE ALLEMAN

Lansing—The policy of the 1939 State Fair at Detroit, as revealed by action just taken by the fair's executive committee, will be to emphasize Michigan's agricultural and industrial resources.

From a statement just released by Elmer A. Beamer, state commissioner of agriculture, it is apparent that the Hollywood movie-radio glamour which has characterized the 1937 and 1938 enterprises may be greatly subdued, if not missing altogether.

Arrangements are under way to have light harness racing, use of the grandstand for outdoor entertainment both afternoon and evening, enlarged livestock and farm machinery displays, and a comprehensive program for the 52,000 club members of 4-H clubs.

Assisting Dr. Linwood Snow as manager will be managers of three of the most successful fairs in Michigan. They are Robert Buckley, Huron County Fair at Bad Axe; Harry Kelly, Hillsdale county fair at Hillsdale, and Lester Schrader, St. Joseph county fair at Centerville.

The committee is continuing the policy of not permitting the sale of intoxicants of any kind on the grounds, while all fair amusements will be carefully checked to assure its suitability for family enjoyment.

An Issue for 1940?

The idea of June find the five-month session of the state legislature a matter of public record.

Observers are carefully analyzing the results in an effort to detect possible issues for 1940. Those law-makers who hoped in vain for a "clean-up" of the Republican party from convention control by Messrs. Frank McKay and Edward Barnard insist that the legislature's failure to curb so-called boss abuse has created a major issue for the next campaign.

From Rep. Elton R. Eaton of Plymouth, captain of the anti-boss element, comes this dire warning: "Unless the Republican party cleans house in the next primary, no one can rightly predict what might happen in the next state election."

The budget-balancing efforts of the present administration, other observers feel, may overshadow the reform issue. This may be true especially if public opinion continues to disapprove, as Gallup surveys continue to reveal, the vast spending splurges at Washington.

It is too early to forecast accurately what will be the effects in 1940 of what the present legislature has done or has not done. An administration's record does not depend wholly on a five-month legislative record.

News Writers Puzzled

The attitude of Governor Dickinson to the McKay investigation and the Barnard convention bill has puzzled metropolitan newspaper correspondents at Lansing.

W. A. Markland, writer for the Detroit News, says that Michigan's new governor "is an extremely irritating puzzle to a lot of people." This comment was inspired chiefly by the governor's veto, as recommended by Emerson R. Boyles, legal adviser first retained by the late Governor Fitzgerald, of a bill which would have legalized the continuation of the McKay probe.

Although prior to the veto the governor was visited by two members of the legislative investigating committee who urged him to sign it, he later said that he had not read the bill and

evidenced surprise that the veto would close an inquiry into McKay's bond fees of \$108,000.

Frank Morris, Detroit Times correspondent, intimated openly the same day that the governor's "pipe line" was in the direction of Grand Rapids, home of Mr. McKay.

Guy H. Jenkins, head of the Booth newspapers' bureau at the statehouse, declared: "When the curtain is rung down on the 1939 Republican legislature the record probably will disclose the enactment of more selfish, sniping, noisy-minority group laws than any in the history of the state."

Pressure groups have been more overbearing than ever before. Jenkins took the House of Representatives to task for indulging in what he called "petty politics."

Blasting "supervisor-poor superintendent patronage hounds," he opined: "The people as usual take it on the chin, but they make targets of their chins when they elect so many pseudo statesmen."

No Liquor Legislation
One of the curious results of the legislative session was the failure to enact one liquor control bill.

With the driest chief executive in many years at the helm of the administration, liquor interests were apprehensive earlier in the year that drastic measures would be passed to correct some of the persistent, ever-present "liquor evils."

Because the governor was an officer of the National Anti-Saloon league and president of the state league, it had been taken for granted that something would be attempted before adjournment May 26 to tighten the state's control if not to abolish outright the system of state-owned liquor stores, as recommended by Fitzgerald.

On May 14, two weeks before adjournment, Governor Dickinson took the churches to task. He said: "I never was in the legislature or around the capitol during a legislative session when there was as little encouragement from outside on such lines as during this session. . . I regret to say that the churches, as such, have given slight expression."

It was a tardy appeal for dries to "lobby" at Lansing. Organized effort, he asserted would have resulted in passage of laws to restrict advertising of alcoholic beverages including beer and wines as proposed in Senate bill 208 which died in committee.

Civil Service, Vandenberg
Will enactment of the new civil service law, called a "ripper" law by its critics—react unfavorably on the administration?

James Thomson, chairman of the state republican central committee, is confident that the people back home were rebellious over the cost of Murphy's civil service act. Payrolls during the first 18 months totaled \$93,537.

One cannot help but observe that 1940 will be a presidential campaign year, one in which it is entirely possible that the Republican nominee will be Michigan's senior United States senator, Arthur H. Vandenberg. In a gigantic tussle with the New Deal, the party would be occupied chiefly with national issues. In such a situation all legislative-made issues—bossism, civil service, and so on—would go easily into total eclipse, so the theory goes.

Vandenberg's triumph in defeating the Florida ship canal project brought a nicely timed declaration by Michigan administration leaders that Vandenberg

"should be drafted" and that "Michigan will ask his nomination." The rising stock of the Michigan senator was noted by the Chicago Tribune which reported a few days ago that "sentiment among local politicians indicate that Vandenberg is the candidate being most favorably considered by Republicans in many states, not only in the West but in the East."

On the Vandenberg bandwagon is Howard C. Lawrence, of Grand Rapids, former state treasurer, who is credited with having proposed the administration's statement and who, incidentally, is being mentioned in the press as a potential candidate for either the United States senator or for the governorship.

Lawrence is being backed by the McKay-Welsh alliance in the furniture city. His boom was hailed by McKay's own weekly newspaper, "The Michigan Times."

Lovells

Mr. and Mrs. William Vollmer, Nelson Vollmer and Miss Oral Buck of Frederic were callers in Lovells, Tuesday.

Mr. and Mrs. Elmo Nephew and Mrs. Cora Nephew went to Saginaw last week on business.

Mr. and Mrs. Chandler Symons of Saginaw enjoyed the week end at the Kuehl cabin.

Howard Orrison of Battle Creek was a caller in Lovells last week.

Mrs. Joseph Duby is quite ill at her home.

Mr. and Mrs. Francis Nephew spent the week end in Kalkaska visiting Mr. Nephew's sister, Mrs. Glen Gregg. Iris Nephew accompanied them home after spending three weeks with Mrs. Gregg.

Guests at Big Creek club over the week end were Mr. and Mrs. Fred Lowery and Dexter and Fred Lowery, Carl Clark, Dr. Bartley, of Detroit, and Dr. and Mrs. C. G. Clippert, of Grayling.

Ezra Brodenaxe was called to Flint on account of the illness of his father.

Friends of Mrs. Arthur Feldhauser are glad to learn she is regaining her health after being ill for several weeks.

Mr. and Mrs. Leon Drayton of Detroit enjoyed a few days in Lovells.

Frederic Notes

Mr. and Mrs. Charles Bonham of Royal Oak; Mr. and Mrs. Emery Bonham and children and Mr. Marshall Bonham of Clare visited Mr. and Mrs. Ernest Jorgenson over the week end.

The Junior Prom was voted a complete success by all who attended. The gym was attractively decorated and refreshments were served by the committee. The Poki-Dots of Grayling furnished a pleasing brand of music.

Judge and Mrs. Haddon of Lansing are spending the week end in Frederic. They say it's the perfect place for escaping the heat of the city.

The Frederic Rural Agricultural High school graduating class of 1939 held their Baccalaureate services Sunday night in the school gym. The platform was decorated with seasonal flowers and the program consisted of a march by Miss Esther Luce; invocation by Elder Roy Newberry; trumpet solo, Daryl Onderkirk; sermon, Elder Schreuer of Gaylord; vocal solo, Daryl Onderkirk, and the benediction by Elder Roy Newberry. The graduating class was much impressed and are sure they will derive much benefit from the words of Elder Schreuer.

The following teachers will return to Frederic this coming school year to teach: Miss Helen Brooks, who is spending her vacation on a honeymoon. Mr. Herbert Phipps is spending his vacation in Lansing attending summer school. Miss Rothfels is leaving for her home in Jackson, Mich. Mrs. Ruth Caid is spending the summer at her home in Lovells.

Shirley Corsaut who has been attending the Port Huron Junior College, is home spending a few days with his parents, Mr. and Mrs. Elmer Corsaut.

The Jenkins' Ear Incident
Robert Jenkins, an English master mariner, was bringing home the brig Rebecca from the West Indies in 1731, when she was boarded by a Spanish guardacosta, whose commander rifled the holds and cut off one of his ears. On arriving in England he stated his case before the king and later, in 1738, before a committee of the house of commons. The matter became a contributory cause of the war between England and Spain in 1739.

The Inland Empire
The Inland Empire is the name popularly given to a rich agricultural, stock raising and mining region of the Northwestern United States lying between the Rocky and the Cascade mountains. It embraces a considerable part of the Columbia river plateau, including eastern Washington, northeastern Oregon, the northern part or panhandle of Idaho and the extreme western part of Montana.

Help Speed the Wheels of Michigan Industry!

Buy Michigan Products at
the Chain Stores During

Michigan Days

JUNE 1 to 10

DURING the next ten days the chain stores of Michigan are cooperating in a gigantic state-wide campaign designated as "Michigan Days for Michigan Prosperity."

Primary purpose of the campaign is to stimulate consumption of Michigan products—creating additional jobs for our workers, increasing net profits for our farmers, processors and manufacturers, and making possible innumerable bargains for consumers in every section of the state.

While every day throughout the year the chain stores feature Michigan products in thousands of retail outlets, during this drive millions of dollars worth of additional Michigan products will be purchased by the chains and featured in the chain stores. And this is quite natural, for the chain stores are an integral part of the Wolverine State.

Chain store employees—all residents of Michigan—are glad of this opportunity to help speed the wheels of Michigan's industry and thus to help create additional jobs for their fellow workers of Michigan.

As a result of this campaign, textiles, shoes, machinery, furniture, fruits, vegetables and countless other products of our farms and factories—the bone and sinew of Michigan's prosperity—will move out into vast channels of distribution. Thus, too, millions of consumers throughout the state, by purchasing Michigan products in the chain stores during "Michigan Days", will help create new jobs for Michigan workers . . . and save money on their purchases as well.

Every purchase of Michigan products you make in a chain store during the next ten days will be a boost for the prosperity of Michigan.

Buy this week from the countless splendid offerings of Michigan grown and Michigan manufactured items of every description.

BUY DURING MICHIGAN DAYS!

Historians are quite agreed that the North American continent was discovered by John Cabot and his son, Sebastian, June 24, 1497. Columbus discovered the South American continent nearly a year later, in 1498—having found only some islands off the South American coast in 1492. Some claim that the Norwegians who colonized Iceland in 874 and Greenland soon after must have seen the coast of North America. This was 500 years previous to Cabot and Columbus.

The situation and general aspect of Capetown, South Africa, are not unlike those of Nice, though the spaciousness and grandeur of its surroundings are far superior. Notice To Horse Owners

By Drs. Rea & Rea

Horse owners who wish to have their horses immunized for Sleeping Sickness (Encephalomyelitis), can have the same done now at a reasonable cost. We are now equipped with the vaccine which has proven to be highly effective in controlling this dreaded disease in the west. This plague is gradually working east and up into Michigan and there is practically no treatment for this disease once it gets a good start. In other words, unless the animal is vaccinated, his chances of coming through an epidemic of sleeping sickness is small.

The best time of the year for vaccination is May and June because for the most part of the trouble does not appear until after these months. This disease is carried by mosquitoes and other insects. The vaccinations consist of two hypodermic shots about a week apart and then there is about 10 days before they reach their most effect. In other words the animals should have their first shots at least a month before they are exposed to sleeping sickness. Now that horses are being transported from one end of the state to the other, one can never tell when an infected animal may be brought into your community.

The symptoms are extreme sensitiveness and nervousness—also the animal will walk in circles and often stand with its head against objects. It may back up and act peculiar in many other ways. Once in a while if the animal is taken under treatment early in the course of the disease they may be helped.

The cost of the vaccinations will be about \$3.00 an animal if the animals are grouped together (this includes both shots). For further information consult—
